SPECIAL CONSIDERATION: The Woven Collection's "Gray Teak" is solid teak wood finished with a solution that expedites the aging process of teak to a natural silver tone. Over time, the natural weathering of Gray Teak will cause its appearance to change in color and texture, with possible marks and cracks. By ordering Gray Teak, you accept these characteristics and agree that no claim will be approved regarding the natural aging process of teak or the special color qualities associated with the Gray Teak finish. Special care should be taken to protect this natural finish.
