SPECIAL CONSIDERATION: Tradition Collection's Acacia Veneer finish is sandblasted to create a rustic appearance. This process accentuates the natural grain of the wood and creates a variation in both color and texture. The existence of natural knots, cracks, scratches, and marks in the surface of the wood should be expected. By ordering products from this collection, you accept the natural characteristics unique to each item and agree that no claims will be approved regarding these natural variations. Special care should be taken to protect this finish.
