Taupe Oval Rope, Performance Ecru Weave, Washed Ever Teak

CBM: 1.267 **CBF:** 44.733
ASSEMBLY: Minor
MATERIALS: Solid Teak Wood, Aluminum, Polyolefin Rope, 100% Olefin Fabric, Foam

SPECIAL CONSIDERATION: Woven Collection's Washed Ever Teak is a multi-step hand-applied finish. A wire brush is first used to distress the wood by hand before applying a polyurethane finish that is designed to resist naturally occurring wood finish changes from the outdoor elements. Due to the hand-applied nature of the finish, uneven application or uneven wire brushing is possible. Washed Ever Teak finish may fade and wear over time, and as the finish deteriorates, the natural teak underneath will become visible and gradually turn grey. The rate of this weathering will vary based on factors such as climate, exposure, and maintenance levels. To protect your furniture from the elements and minimize aging, we strongly recommend using outdoor covers.
